# Top 11 Players - Defensive Contributions (Hungarian League)

YOUSSEF WAEL

Agenda

1. Midfield Enforcer: Bence Ötvös (CDM). Should rank highly, providing defensive steel in the center of the park.

2. Distribution of Passes Accuracy.

3. Distribution of Hight.

4. Passes Stats of Top 11 Players have best Definsive Stats.

5. Top 11 Players - Defensive Contributions.

6. Average Interceptions by Position.

7. Top 11 Players by Tackles

8. Recommendations

# Value vs Age for Top 11 Players have best Definsive Stats

Value vs Age for Top 11 Players have best Definsive Stats (Explain)

Best Value Investment: Levente Katona (CB, 23). A young player likely with a lower current value but high potential for growth.

Prime Performer: Stefanos Evangelou (CB, 27). Expected to be at peak age with a high market value, offering immediate quality.

Experienced Leader: Alex Vallejo (CDM, 33). An older, proven player whose value might be stable but offers reliability.
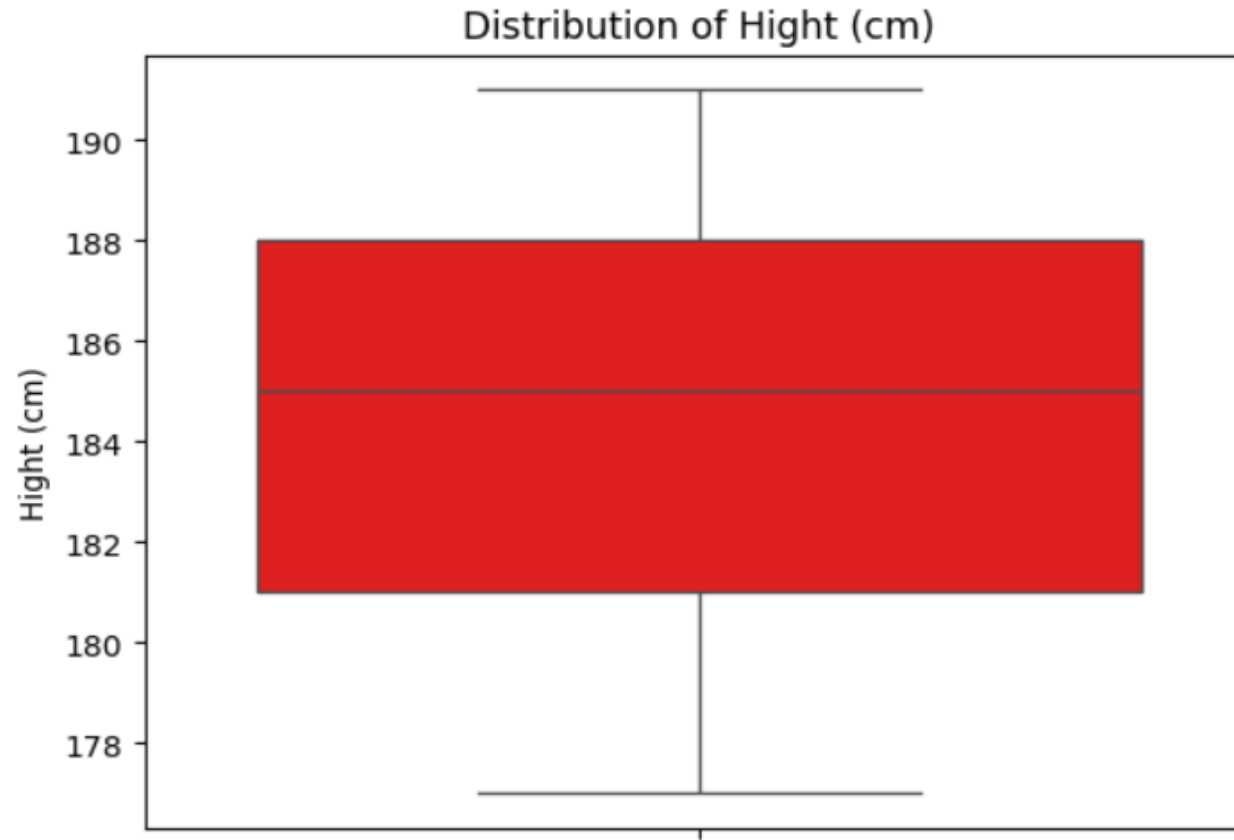

Distribution of Passes Accuracy

Distribution of Passes Accuarcy

Distribution of Passes Accuracy (Explain)

Expected Accuracy Range: 67% - 87%.

Elite Passer Threshold: 85% and above.

League Average for Defenders: ~78%.
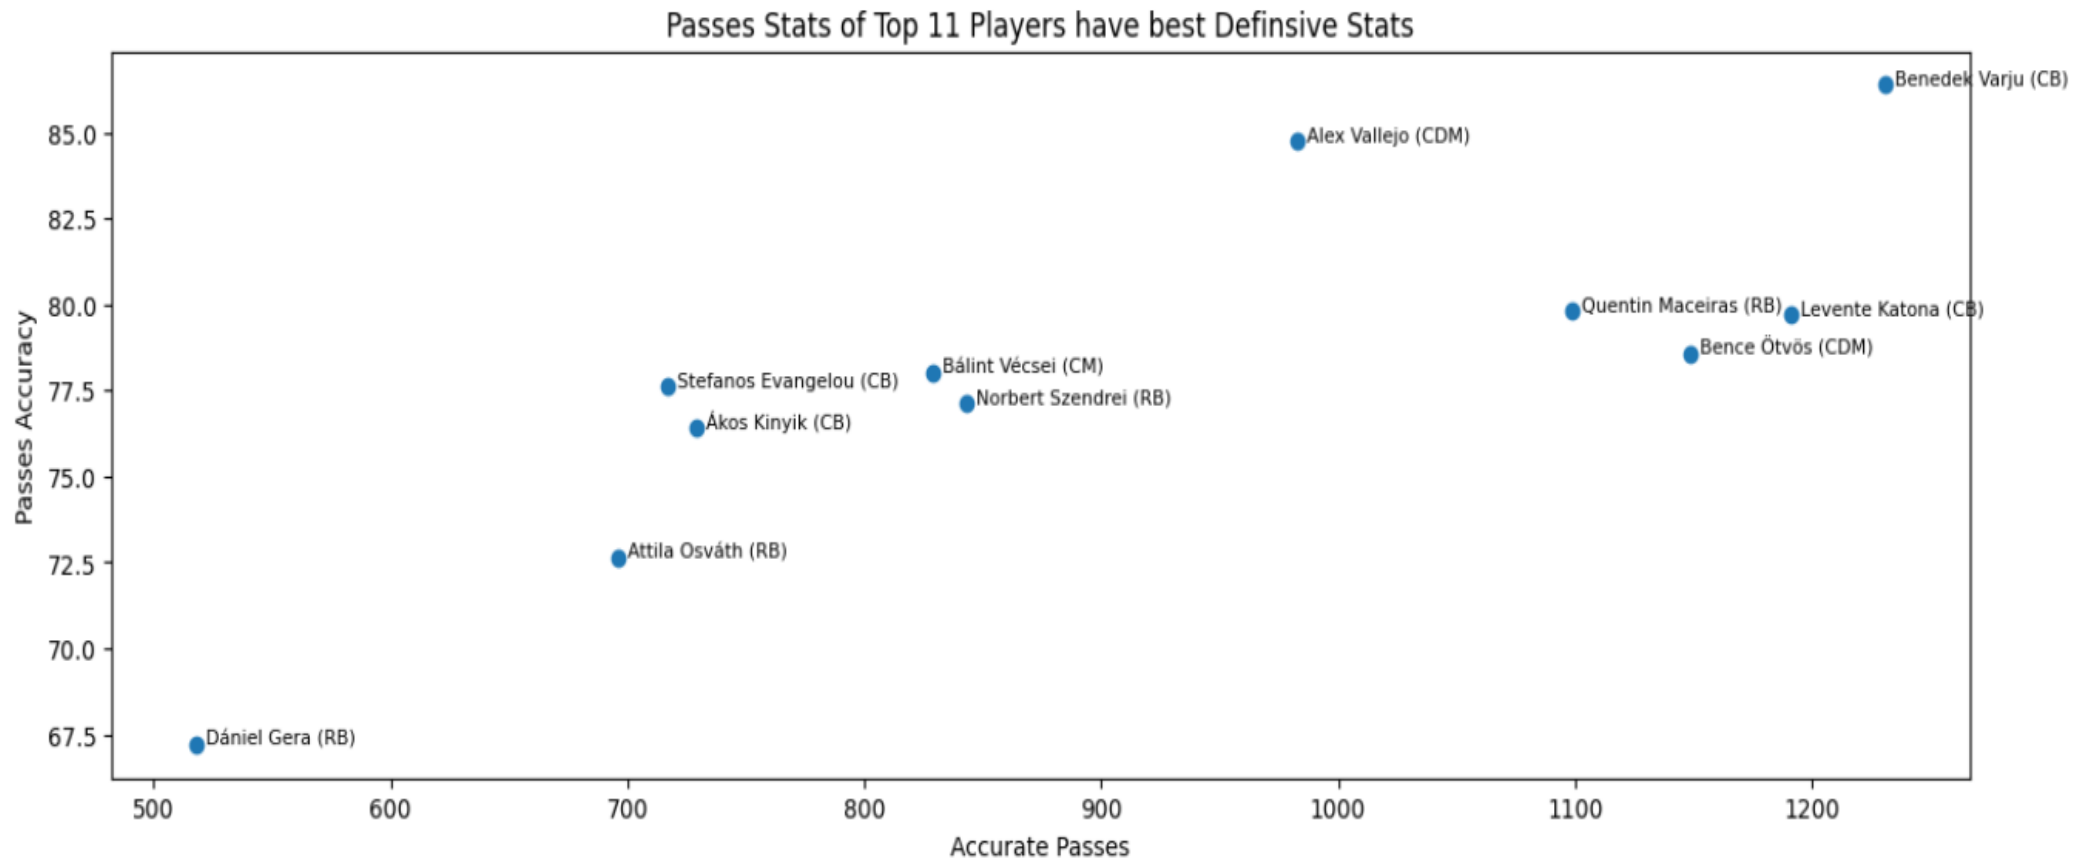

Distribution of Hight

Distribution of Hight (Explain)

Expected Height Range: 177 cm - 191 cm.

Elite Height: 188 cm - 191 cm.

Average Height: ~185 cm.

Passes Stats of Top 11 Players have best Definsive Stats

# Passes Stats of Top 11 Players have best Definsive Stats (Explain)

Passing Metronome: Bálint Véesei (CM). Should lead in Avg. passes per game, acting as the League's hub.

Progressive Pass Masters: Benedek Varju (CB), Alex Vallejo (CDM). Likely top the chart for progressive passes that break opposition lines.
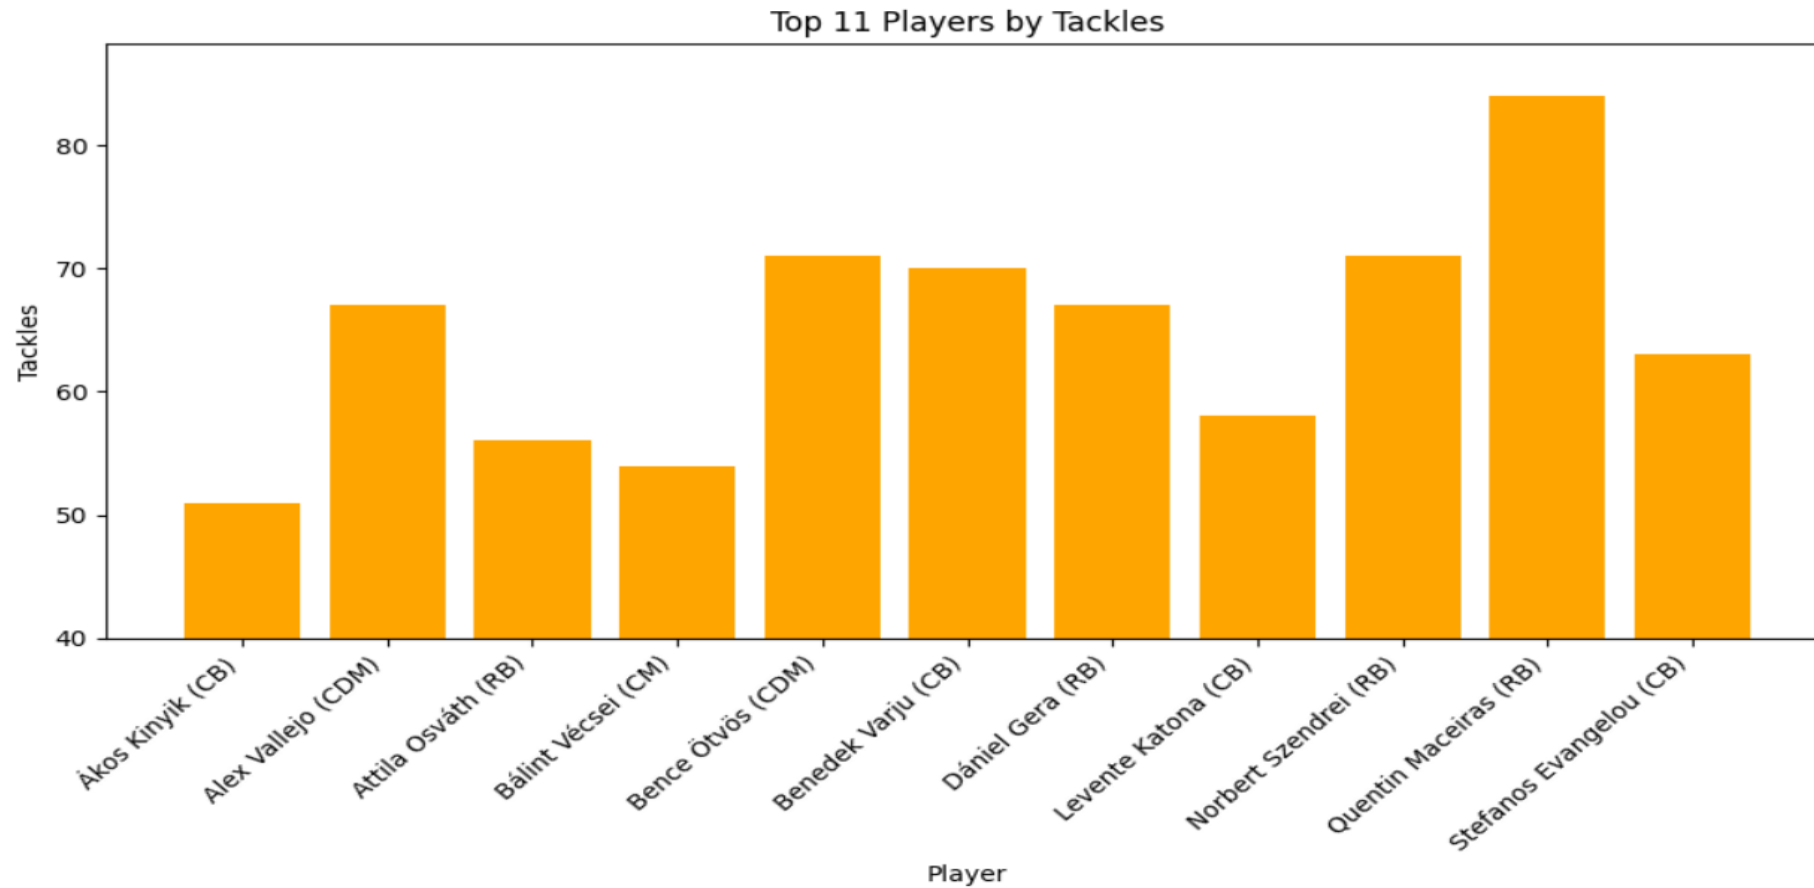

Top 11 Players - Defensive Contributions

Average Interceptions by Position

Top 11 Players by Tackles

Top 11 Players by Tackles (Explain)

The Tackling Machine: **Quentin Maceiras (RB).** Expected to be the most frequent and successful tackler

Aggressive Full-Back: **Attila Osváth (RB).** Another RB likely high on the list, confirming the role's defensive importance.

Midfield Enforcer: **Bence Ötvös (CDM).** Should rank highly, providing defensive steel in the center of the park.

Recommendations

Must-Buy: Alex Vallejo (CDM). He appears in almost every category: value, passing, interceptions, and tackling. He is the complete package.

Best Full-Back: Quentin Maceiras (RB). If the data shows he combines high tackling with elite passing, he is the most valuable full-back.

Aerial Solution & Future Star: Ákos Kinyik (CB) for immediate aerial dominance and **Bálint Véesei (CM)** as a long-term investment in your midfield creativity.

THE END
